One of Korean female high school student donated four boats to Cambodia with \$3,000 as she has planed fund-raising.

When she has visited Cambodia for volunteering service, she realized that only a small boat, it could be very helpful to Cambodian family to earn a livelihood. After she returned to Korea, she has planed to fund-raise to help them.

She has been doing for 5 months to promote fund-raising and about 460 people helped her to make fund-raising.
