IST Special Bulletin

Dear IST,

We love you so much that we have created this special Jamboree Bulletin just for you~!

In the bulletin you will find out a little bit about the kinds of jobs we will be asking you to do. However, before assigning you with a task or role in the Jamboree, we would like to know a little bit more about you.

1.0 TELL US ABOUT YOURSELF

Before you arrive at the Jamboree site, we would like to know a bit more about you so that we can match you to an appropriate job during the Jamboree. Using the "IST Survey" form which accompanies this bulletin, please tell us a bit more about yourself, your Scouting skills and experience etc.

2.0 IST ROLES

There are a number of potential roles for IST. Some of you will be asked to work in the Display zone, running activities to show participants about your country, running Scout Stalls selling Scout items from your country. Others may be asked to work in the each **Subcamp** supporting international units, and helping to make sure that international participants take part in all the activities available to them and achieve the Jamboree Awards etc. There will also be IST members sent to work in the activity **program team** and other teams that require assistance.

3.0 SLEEPING AND EATING

All IST members will sleep in tents that will be provided by the Jamboree. Each tent houses up to 4 people. Most IST will camp together in the staff camp field, also with other Korean staffs.

IST will be provided with coupons for collecting their meals at the Jamboree canteen three times a day. Food will be Korean style, so please be prepared to eat lots of rice and Kimchi!

At each meal rice and soup are served with side dishes, such as marinated vegetables, tofu, and meat. IST members with special dietary requirements should be able to eat well by avoiding foods that they cannot eat.

If you find it difficult to use Korean style chopsticks, you are welcome to bring your own~!

4.0 THINGS TO PREPARE

IST should bring their personal camping equipment such as sleeping bag, rain-wear and a torch. Also don't forget your full Scout uniform!

You will receive many business cards from your new Scout friends, so it's a good idea to prepare your own too. Here is one example from the KSA office ^ _ ^

Many Korean Scouts love to swap badges, so any badges that you have at home will make great gifts of swaps at the Jamboree. Even better, why not make a unique Jamboree badge for your IST unit?!

4.1 BE READY TO SHOWCASE YOUR CULTURE

At the Jamboree you will have a number of opportunities to showcase your culture. As members of the international service team, there will be lots of leaders and scouts that will be very excited to meet you and want to ask you all about life and Scouting in your country. It's a good idea to do your homework on Scouting in your country, and maybe even bring along some informative leaflets, or resources that you can give away, and photographs of typical activities and activities that you have been involved in your country.

It is a nice idea to prepare small gifts that you can give to participants, leaders and fellow IST who you become friends with, or who give you things. Another idea is to bring typical sweets, tea or coffee from your country to give and share with others.

During the Jamboree there will be an INTERNATIONAL NIGHT and a JAMBOREE FOOD FESTIVAL. At these times, you may want to assist your contingent in putting on a great show. This is your chance to show all the Scouts at the Jamboree the exciting colours, flavors and customs of your homeland.

5.0 TRANSFERS
